Company Authorization Agreement

THIS AGREEMENT is made this _____ day of _____, 20_____, among _____ (COMPANY) whose address is _____ (PHYSICAL ADDRESS), _____ Keystone Payroll, LLC _____ (PROCESSOR), and INTERCEPT CORPORATION (IC).

I. Services Provided

- 1.0 Company has authorized Processor to create and transmit ACH files to IC for the purpose of transferring funds through the Automated Clearing House (ACH) pursuant to the terms of this Agreement, an Agreement with Processor, IC's Processing Policies, the rules of the National Automated Clearing House Association (NACHA), laws of the State of North Dakota, and applicable federal rules and regulations for various purposes including, but not limited to providing direct deposit of payroll for Company's employees (Transactees), transfers of funds for flexible benefits plans, tax impounding or any other reason Company may desire to transfer funds electronically through the ACH, which purposes have been approved by IC. Company stipulates that any action that IC takes hereunder is pursuant to the apparent authority of Processor and Company, its agents, assigns, officers, directors, and employees. Through a letter from IC outlining approval terms, Processor will be notified of the types of ACH activity that Processor and Company are approved to process. Processor and Company are specifically confined to processing only such approved types of ACH activity, or such other types of ACH activity that are specifically approved in writing by IC. Federal law prohibits the knowing acceptance of payments in connection with the participation of another person in unlawful Internet gambling. Company and Processor agree that they shall not, under any circumstances, submit for processing any transaction in connection with Internet gambling.
- 1.1 COMPANY UNDERSTANDS THAT IC PROVIDES ITS SERVICES ONLY TO PROCESSOR AND COMPANY TO FACILITATE THE MOVEMENT OF FUNDS THROUGH THE ACH. ALL FUNDS TO BE TRANSFERRED, WHETHER PAYROLL, FLEX BENEFITS, OR FOR ANY OTHER REASON, MUST BE PRE-FUNDED AND FULLY GUARANTEED BY PROCESSOR AND COMPANY. PROCESSOR AND COMPANY UNDERSTAND AND AGREE THAT IC HAS NO DIRECT FINANCIAL INTEREST IN THE DEBITS AND CREDITS PROVIDED PURSUANT TO THIS AGREEMENT, THAT IC IS ONLY PROVIDING A SERVICE FOR A FEE, AND THAT IC IS NOT A GUARANTOR OF FUNDS FOR SERVICES PERFORMED. ALL RISK OF LOSS AND LIABILITY TO ANY PERSON OR ORGANIZATION ARISING OUT OF THE SERVICES FURNISHED HEREUNDER SHALL BE THAT OF PROCESSOR AND COMPANY, AND NOT THAT OF IC.

II. Automated Transfers

- 2.0 Company represents and warrants it will have sufficient funds on hand in the bank account disclosed herein to honor all transfer instructions received and processed by IC. In the event that transfer instructions are sent to IC and there are insufficient funds on hand to honor the transfer instructions, such transfer instructions shall be "in error". Company and Processor authorize IC to correct any transfer of funds if the transfer was not properly funded or honored by Company, Company's customers, Transactees, or Company's bank without any liability to IC. Processor and Company shall be liable to IC for all damages/losses incurred, including costs, attorney's fees, and other expenses, and Processor and Company hereby authorize IC to transfer funds from any account, including any reserve account, if available, to reimburse IC for all said losses upon notice to Company and Processor, as applicable. Moreover, if further collection attempts are required, all IC's collections costs including, but not limited to, attorney's fees, where permitted by law, will be charged to Processor and Company.
- 2.1 Company and Processor represent and warrant that all debit and credit entries have been and will be authorized and that a record of such authorization is of record. Company and Processor further represent and warrant that they will provide IC with a copy of any such authorization upon IC's request. Processor and Company will indemnify and hold IC harmless for any failure by Processor and Company to have or provide authorization agreements of record.
- 2.2 Company and/or Company's customer or Transactee shall have 60 days from the transaction date to notify Processor or IC, in writing, of any discrepancies, errors or problems with a processed transaction, including but not limited to, errors in amounts, erroneous transactions, or other transactions processed.
- 2.3 Company and Processor understand, agree, and acknowledge that as part of the ACH process, once Processor and/or Company instructs IC to cause funds to be debited from the accounts of Company or Company's Transactee, (i) such funds shall be placed in one or more IC accounts at IC's bank and (ii) IC shall be the only entity authorized on such accounts. Processor and Company further acknowledge that such IC accounts shall be subject to setoff by IC's bank.

III. Liability and Indemnification

- 3.0 PROCESSOR AND COMPANY SHALL INDEMNIFY AND HOLD IC HARMLESS FROM ANY AND ALL CLAIMS, LIABILITY, LOSS, DAMAGES, COSTS OR EXPENSES, INCLUDING COURT COSTS AND REASONABLE ATTORNEY FEES, ARISING OUT OF: (a) A BREACH OF ANY AGREEMENT BETWEEN OR AMONG COMPANY, PROCESSOR AND IC, INCLUDING, BUT NOT LIMITED TO, ANY BREACH OF REPRESENTATIONS AND WARRANTIES; (b) A FAILURE BY COMPANY OR PROCESSOR TO COMPLY WITH ANY GOVERNING RULE, INCLUDING THE RULES OF THE NACHA SYSTEM, THE FISCA CODE OF CONDUCT IN OFFERING ACCESS TO CREDIT, AND OTHER SIMILAR RULES, REGULATION, OR LAW; (c) A FRAUDULENT, WRONGFUL, ILLEGAL OR NEGLIGENT ACT OR OMISSION OF COMPANY, PROCESSOR OR ANY OF THEIR OWNERS, EMPLOYEES, AGENTS, AFFILIATED ENTITIES OR INDEPENDENT CONTRACTORS; (d) ANY UNAUTHORIZED TRANSMISSION BY COMPANY OR PROCESSOR OF DATA, (e) ANY UNAUTHORIZED ENTRY BY COMPANY OR PROCESSOR OF INFORMATION INTO THE ACH NETWORK, (f) ANY USE BY COMPANY OR PROCESSOR OF THE SERVICES PROVIDED BY IC, (g) ANY SERVICES PROVIDED BY IC TO COMPANY OR PROCESSOR INCLUDING BUT NOT LIMITED TO CLAIMS OF PROCESSOR'S OR COMPANY'S CUSTOMERS, EMPLOYEES, OR OTHER TRANSACTEES THAT A TRANSFER WAS UNAUTHORIZED OR THAT AN ACCOUNT CONTAINED INSUFFICIENT FUNDS, OR RELATING TO THE ISSUANCE OF A STOP PAYMENT ORDER, AS WELL AS ANY CLAIM ASSERTED BY ANY TAXING AUTHORITY WHOSE CREDITS MAY HAVE BEEN REVERSED OR BY ANY BANK THAT MAY HAVE SUFFERED DAMAGE OR LOSS BECAUSE OF INSUFFICIENT FUNDS OF COMPANY, EXCEPT WHERE THE CLAIM, LOSS, DAMAGES, COSTS OR EXPENSES AROSE OUT OF IC'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT; AND (h) ANY INQUIRY BY ANY LAW ENFORCEMENT, REGULATORY, OR ADMINISTRATIVE AGENCY, WHETHER, LOCAL, STATE, FEDERAL, FOREIGN OR SELF-REGULATORY

ORGANIZATION, INCLUDING, BUT NOT LIMITED TO, A CIVIL INVESTIGATIVE DEMAND, SUBPOENA, OR ANY OTHER FORMAL OR INFORMAL REQUEST FOR INFORMATION OR DOCUMENTS REFERRING OR RELATING TO PROCESSOR, COMPANY OR THEIR OWNERS, EMPLOYEES, AGENTS, AFFILIATED ENTITIES OR INDEPENDENT CONTRACTORS.

- 3.1 Processor and Company authorize IC to make withdrawals, at any time, from any Processor or Company account, including, if available, any reserve account, to cover any claims, liability, loss, damages, costs or expenses, including court costs and reasonable attorney fees as described above, incurred by IC. IC may indefinitely retain reserve or other funds in IC's possession following termination of the parties' contractual arrangement until IC determines, in its sole discretion, that IC has not presently incurred and does not anticipate incurring any claims, liability, damages, costs or expenses, including court costs and reasonable attorney's fees.
- 3.2 IC is not responsible for the actions of Processor, Company, or others with respect to the amount, accuracy, and timeliness of transmittals or authorization of entries received from Processor. The acts of any other person or organization including, without limitation, banks or other financial institutions, or transmission facilities, shall not be deemed the acts of IC. Processor and Company shall hold IC harmless from any transfers IC makes upon the direction of Processor or Company when such direction is without proper authority and/or in error. Processor and Company agree that they are responsible and liable for any failure to have authorization for any transfers contemplated hereunder.
- 3.3 IC's liability to Processor, Company, and any other person or entity, shall in no event exceed the charges obtained by IC for the effected transaction. In no event shall IC be liable for consequential, special or punitive damages or loss of profits.
- 3.4 To the extent that IC's ability to provide the equipment, facilities or personnel is delayed, reduced, or interrupted by a force beyond IC's control, including, but not limited to, acts of God, public enemy, inclement weather, interruption of communications systems, physical damage to IC's premises, labor disputes, orders or directives of any governmental or quasi-governmental authority, IC shall not be required to perform its obligations under this Agreement or be liable to Processor, Company or Company's Transactee for any failure to perform.
- 3.5 Confidentiality: Each party acknowledges and agrees that it may obtain certain confidential information from the others in the course hereof. Such information includes, but is not limited to, pricing and technical information, operating procedures, and other information pertaining to the business and customers of each party ("Confidential Information"). Such Confidential Information does not include: (a) information that is publicly available; (b) information received from a third party not in violation of any confidentiality obligation; (c) information already known by the receiving party at the time of the disclosure; (d) independently developed information and (e) information suggesting or indicating that a transfer of funds through IC has been returned, reversed, claimed to be unauthorized or otherwise contested. Each party agrees: (i) to maintain the confidentiality of the others' Confidential Information, using efforts no less protective than such party uses in the protection of its own information; (ii) not to disclose such information to any third party, except auditors and regulators, or as otherwise required by law; (iii) not to use such information for any purpose whatsoever other than for its performance hereunder; and (iv) to return all Confidential Information to the other parties upon request. Parties agree to comply with all applicable local, state, and federal laws, the NACHA rules, and, in addition, to comply with IC's settlement bank privacy policy.

IV. Fees

- 4.0 Processor, pursuant to the terms of the Processor Agreement, has authorized IC to electronically collect all sums of money due IC for services provided. In the event IC is unable to collect all sums of money due IC from the Processor and/or IC has discontinued processing transactions for Processor, and Company agrees to continue services from IC for any pending or future transactions, IC may contact Company to make arrangements to collect all sums of money due IC pursuant to the terms and conditions of this agreement.
- 4.1 In case of a correcting entry, or other costs, expenses, or losses that IC may incur in processing items for Processor or Company, the Processor and/or Company agree that IC may submit the item for payment and Processor and/or Company will be charged an amount including a late fee as provided herein and/or later supplemented. If further collection attempts are required, all IC's costs, expenses, losses, and collections costs, including attorney's fees, where permitted by law, will be charged to Processor and/or Company; further, IC is authorized to transfer all amounts from Processor and/or Company accounts, including reserve accounts, if available, to reimburse IC for all losses.
- 4.2 Processor and Company agree that any interest that may accrue on any funds transferred to IC's settlement account is the property of IC.

V. Miscellaneous

- 5.0 **Entire Agreement:** This agreement, whether executed as one instrument or in counterparts (including by pdf or facsimile), the current IC Processing Policies, the IC Processor Agreement, and the Authorization for Debit and Credit Electronic Funds Transfers constitute the entire Agreement between and among Processor, Company and IC, and correctly describe the parties' mutual understanding of this Agreement. Any and all oral or written agreements, representations or understandings between the parties entered into or made prior to or made contemporaneously with the effective date of this Agreement have been incorporated into this Agreement or were revoked, released or terminated before the effective date of this Agreement. No modifications, deletions, additions, or amendments to this Agreement shall be binding on IC unless the same are reduced to writing, and the writing is signed by IC. All of the terms of this Agreement are subject to the approval of IC and unless IC has executed this Agreement, such approval has neither been obtained nor granted. The parties to this Agreement agree to execute whatever documents are reasonably necessary to carry out the terms and effect of this Agreement.
- 5.1 **Relationship of Parties:** The parties' relationship hereunder is to be that of independent contractors. This Agreement is solely for the benefit of the undersigned and may not be relied upon or enforced by any third party. In no event shall IC be deemed an agent, employee, partner or joint venturer of Company or Processor, or have the power or authority to bind them in any way; nor shall Company or Processor be deemed an agent, employee, partner or joint venturer of IC, or have the power or authority to bind it in any way.
- 5.2 **Governing Law:** This Agreement shall be governed by the laws of the State of North Dakota; NACHA; and applicable state or federal law. Any dispute regarding this Agreement shall be tried and litigated exclusively in the United States Federal District Court for the Southeast Division of the State of North Dakota, Fargo, North Dakota or the District Court for Cass County, Fargo, North Dakota.
- 5.3 **Termination of Agreement:** Any party to this Agreement may terminate this Agreement upon fifteen (15) days' written notice, except that upon IC's sole determination that Company or Processor, or their employees, agents, independent contractors, owners, and affiliates (i) have failed to observe any term or condition of this Agreement, (ii) have not provided IC with honored funds, (iii) have violated any applicable rule, regulation or law, (iv) have engaged in a fraudulent, wrongful, illegal or negligent act or omission, (v) have been made the subject of an inquiry by any governmental or self-regulatory body, (vi) have misrepresented any fact to IC, (vii) have become a credit risk to IC, (viii) have failed to immediately alert IC of a credible basis for believing that they are under investigation, or (ix) have refused to provide information to enable IC to make a determination as to

(i) through (viii), IC may immediately terminate this Agreement by written notice to Company and Processor. Company and Processor also have an affirmative duty to inform IC immediately of any inquiry by any law enforcement, regulatory, or administrative agency once they have a credible basis for believing that such an inquiry has commenced. Consistent with this duty, Company and Processor must furnish to IC copies of any subpoenas, civil investigative demands, requests for information, as well as any reports of findings and cease and desist orders (or their equivalent), except where expressly prohibited by law. Failure to satisfy this duty to notify shall represent a separate basis for immediate termination. IC may immediately terminate this Agreement upon written notice sent to Company and Processor. Processor's and Company's representations, warranties, obligations and duties shall survive termination of this Agreement, and Company and Processor shall continue to indemnify and hold IC harmless and shall be liable to IC for all sums of monies due and payable hereunder to IC. Reserve and other Company or Processor funds in IC's possession following termination of the Agreement may be retained indefinitely by IC until such time as IC determines, in its sole discretion, that it has no present or anticipated claim for indemnification from Company or Processor. Provided, however, that a determination by IC that there is no present or anticipated claim for indemnification will in no way affect Processor or Company's continuing obligation to indemnify and hold IC harmless.

5.4 Term of this Agreement: The term of the Agreement will be for one (1) year from the date of this Agreement. Agreement will automatically renew for subsequent successive periods of one (1) year thereafter, unless either party provides the other parties with written notice of termination fifteen (15) days prior to the end of any succeeding term of this Agreement.

5.5 Electronic Funds Transfer (15 U.S.C. § 1693): Company represents and warrants that it has been fully advised by its financial institutions, and represents and warrants that all of the parties having funds debited and/or credited to or from their financial accounts, pursuant to this Agreement, are fully advised of and aware of (i) their rights, remedies and responsibilities pursuant to the Electronic Funds Transfer Act, as found at 15 U.S.C. § 1693, including, but not limited to, the right to receive documentation and the right to stop payment of preauthorized transfers, and (ii) any charges for electronic funds transfers. Further, Company and Processor represent and warrant that they are in full compliance with the Act.

5.6 Compliance with OFAC: Company and Processor agree to remain in compliance with the rules and requirements of the Office of Foreign Assets Control Department (OFAC), including verifying that Processor and Company shall not transact business with individuals appearing on the OFAC specifically designated individuals and corporate entities/nationals and blocked persons list (SDN). Processor/Company agrees to identify its customers in accordance with a customer identification program pursuant to the requirements of OFAC. For more information, please see the following sites:

- <http://www.treasury.gov/resource-center/sanctions/Pages/default.aspx>
- <http://www.treasury.gov/resource-center/sanctions/Programs/Pages/Programs.aspx>

5.7 Right To Audit: Processor and Company agree that IC, its bank, and any regulatory authority with supervisory authority over IC's bank may at any time, at their individual discretion, audit Processor/Company's compliance with: (a) the terms of this Agreement; (b) the terms of the ACH agreement between IC and its bank (to the extent the terms of such agreement are applicable to Processor or Company); (c) the NACHA Operating Rules; and (d) applicable local, state, federal, and foreign regulations or law. Processor and Company agree that the cost of the audit will be paid by Processor and/or Company and that the audit report will be the property of IC, with a copy supplied to Processor and/or Company. Processor and Company agree that they will remedy all matters identified in the audit report within 21 days of the date of the audit report and provide to IC written verification of this remediation. IC may, at its sole discretion, permit an extension of this 21-day period.

5.8 Account Authorization: Company authorizes Processor and or IC to initiate electronic debit and or credit entries to and from the bank account disclosed below, and to/from any other bank accounts subsequently identified by Company in writing. Company understands that adjustment entries may be made to this account (and subsequently identified accounts) to ensure an accurate and balanced accounting of all transactions. This authorization will remain in effect until Company cancels the authorization in writing.

5.12 Processor and Company represent and warrant the following:

- a. **Authorization by Processor/Company:** The execution and delivery of this Agreement by Processor/Company and the performance by them of the transactions contemplated herein have been duly and validly authorized by all requisite corporate actions, and this Agreement has been duly executed and delivered by Processor/Company and constitutes the valid and binding obligation of Processor/Company, enforceable against Processor/Company in accordance with its terms. Processor/Company have full company power, capacity, and authority to execute and deliver this Agreement. In addition, Processor/Company possess all governmental approvals required to carry on their business as now conducted and all such approvals are in full force and effect.
- b. **Organization, Existence, and Good Standing of Processor/Company:** Processor/Company are duly organized, validly existing, and in good standing under the laws of the jurisdictions where they were created, with all requisite company power and authority to own, lease, and operate their properties, to carry on their business as now being conducted, and to execute, deliver, and perform their obligations under this Agreement and any other documents related thereto to which they are a party and to consummate the transactions contemplated hereby.
- c. **No Conflicts:** The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby do not and will not contravene, conflict with, or result in any violation of or default under any provision of the certificate of where Processor/Company were created, any resolution adopted by the Processor/Company, or any mortgage, indenture, lease, loan or credit agreement, or other contract, applicable law, or governmental approval applicable to Processor/Company or any of the properties of Processor/Company, or any order which affects or binds Processor/Company. No governmental approval, and no consent or approval of any other person, is required on the part of Processor/Company in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby.
- d. **Litigation:** There is no actual pending litigation (i) that has been commenced by or against Processor/Company that relates to or affects Processor/Company's right to consummate the transactions contemplated by this Agreement, or (ii) that challenges, or that may have the effect of preventing, delaying, making illegal, or otherwise interfering with this Agreement or the transactions contemplated hereby.
- e. **Compliance with Laws:** Processor/Company has complied with and is in compliance with all laws, regulations, and rules, whether state, local, federal, self-regulatory, or foreign, that are or were applicable to Processor/Company; Processor/Company further represent and warrant that they have not received any notice or other communication (whether written or oral) from any governmental authority or any other person regarding any actual, alleged, or potential violation of, or failure to comply with, any law, regulation or rule.
- f. **NACHA Rules:** Company and Processor represent, warrant and acknowledge that they are bound by the NACHA Operating Rules, that they are (and will remain) in compliance with such Rules, including, but not limited to, any maximum thresholds set by NACHA for Unauthorized Returns, Administrative Returns and Overall Returns, and that they assume the responsibilities of an Originator under such Rules.

VI. Security Procedures

- 6.0 **Acknowledgment of Security Procedures:** Unless Processor, Company and IC agree in writing to a different security procedure than is set forth in IC's Processing Policies or herein, Processor and Company acknowledge and agree that the authenticity of payment orders will be verified using the procedures set forth in IC's Processing Policies. Further, Processor and Company agrees that such security procedures are commercially reasonable.
- 6.1 **Internal Security Procedures:** Processor and Company agree to (i) adopt and implement commercially reasonable policies, procedures and systems to receive, store, transmit and destroy Consumer-Level ACH Data in a secure manner and to protect against data breaches; and (ii) implement commercially reasonable policies, procedures and systems to detect the occurrence of a data breach within its respective organization. The term "Consumer-Level ACH Data" means a bank account number together with a bank routing number, or a customer's name together with a customer's social security number. Processor and Company further agree to comply with any prevention, detection, investigation, and escalation (notification) requirements of any NACHA policies relating to ACH data breach notification requirements and any applicable state or federal laws.
