LIFE PLANNING QUESTIONNAIRE

1. Imagine that you are financially secure, that you have enough money to take care of your needs now and in the future. The question is ... **how would you live your life?**

Would you change anything? If so what? Describe what your life would be like and what you would do.

2. This time you visit your doctor who tells you that you only have 5-10 years to live. The good part is that you will not feel sick. In fact, you will live a vibrant and energetic life until your passing. The bad news is that you will not know the exact moment of your death.

What will you do in the time you have remaining to live? Will you change your life and, if so, how will you do it?
